O R D E R:

In the letter 1st cited above, the MD, BIACL has stated that requisition from the Secretary to Govt., I&I Dept., was sent to the District Collector, Vizianagaram for acquisition of the land identified to an extent of Ac.5311.88 situated in 9 villages of Bhogapuram Mandal, suitable for setting up of new Greenfield International Airport. The District Collector, Vizianagaram has informed that the land requirement for the Airport has been reduced to Ac.2700.92 which includes land for Airport Development, Approach Road to Airport, Approach Road to commercial area and land for Commercial Development. The land size has been further reviewed and finalised as Ac.2726.70. Out of this, an extent of Ac.103.80 which falls in airport alignment was not covered in the L.A. Notification and the land parcel has to be acquired by direct purchase from the land owners, through negotiations. The MD, BIACL has therefore requested the Government to permit him to address the District Collector, Vizianagaram to negotiate with the land owners on the rates in respect of above extent of land i.e. 103.80 for direct purchase and send necessary proposals to the Government for approval of the negotiated land price.

2. In continuation of the above, in the letter 2nd read above, the Managing Director, Boghapuram International Airport Corporation Limited has requested to constitute a Negotiation Committee, similar to the Negotiation Commitee constituted by the Government for direct purchase of lands for Orvakal and Dagadarthi Airports, for negotiations with the land owners of patta lands for the development of Bhogapuram Airport by following the due procedure.

3. Government, after careful examination hereby Constitute a Negotiation Committee with the following members to procure the private lands from the land owners who are willing to sell their lands for the establishment of Bhogapuram International Airport, Vizianagaram District. The Committee will negotiate with the land owners directly to procure land to an extent of AC.103.80 and send necessary proposals to the Government for approval of the negotiated land price.
